PLACES OF WORSHIP			
Rev. Jason Small Community Church 271 6 th Concession Road East	<ul style="list-style-type: none"> On behalf of Waterdown church network, about 15 churches in the west flam area Representative for the Pentecostal association President of the chamber of commerce Started with 6 and have grown to 600 membership Challenge bylaw with regards to places of worship because it is limited where they are permitted and size is restricted Growing community and need these places as play a vital role for the community Limited number of churches Impossible to build new churches where they are permitted especially at sizes that can accommodate the growing numbers Hard to find and locate when you needs relocate Permit within 5 km of RSA Permit places of worship permitted along major roadway 	Written and Verbal	<ul style="list-style-type: none"> The RHOP only allows institutional uses within Rural Settlement Areas (RSA's) or on lands designated Rural, subject to conditions A Zoning By-law amendment is required to ensure that the church serves the rural community, there is adequate servicing, parking, and as little land as possible is used for the church
Rev. Bill Thornton Chair of the Waterdown Church Network	<ul style="list-style-type: none"> The Waterdown Church Network would like to challenge the revised rural zoning by-law By-law restritcs ability for churches to either expand or build new Flamborough expected to grow by over 17,000 people in next five years and growing communtiy requires churhe to meet needs ot people Flamborough residents are community minded people and prefer to worship locally and ontribute tolocal charities We ask that places of worship located in rural communities be 	Written	<ul style="list-style-type: none"> The RHOP only allows institutional uses within Rural Settlement Areas (RSA's) or on lands designated Rural, subject to conditions A Zoning By-law amendment is required to ensure that the church serves the rural community, there is adequate servicing, parking, and as little land as possible is used for the church
