

Hello Ms. Bedioui,

<http://www.hamilton.ca/city-planning/official-plan-zoning-by-law/draft-rural-zoning>

This email is with regard to the above meeting on July 7, 2015 pertaining to Medical Marihuana Facilities. We would like to submit written comments on behalf of Pharm Meds Ltd. regarding the rural zoning by-law. We have concerns regarding the proposed 20 meter set back for marihuana facilities on existing buildings and believe it should remain at a 15 meter set back. We do not believe these requirements should apply to existing buildings. Can you please confirm that we will receive notice of any decisions. We thank you for taking the time to read our email. We look forward to hearing from you.

Thank you,

Pharm Meds Ltd.
