Reason(s) for delegation request: I am emailing you on behalf of the Hamilton Burlington Trails Council (HBTC). Our mission is to serve as a trail alliance in developing and communicating a first class trail system in the Hamilton Burlington region, which promotes the health benefits of recreational trail use to residents and visitors while conserving our valuable natural ecosystems. HBTC is working with The Cootes to Escarpment EcoPark System to deliver sustainable recreation opportunities. HBTC and several of it's members such as Hamilton Public Health and Public Works are currently working to inform on the concept of a regional multi-use greenway network which would compliment the LRT infrastructure, enhance Hamilton's active transportation network and further the local economy as it has in other municipalities.
