(h) NOTICES OF MOTIONS (Item 10)

Councillor Brenda Johnson introduced the following Notice of Motion on behalf of Councillor A. Johnson who had left the meeting:

(i) Waive the Requirement for a Road Widening for 1685 Main Street West (Added 10.1)

Whereas the previous restaurant use located at 1685 Main Street West was destroyed as a result of a fire;

And whereas the Planning Act and the Urban Hamilton Official Plan states that the City shall reserve or obtain road widenings for rights-of-way as described in Schedule C-2 – Future Road Widenings through Site Plan Approval;

And whereas a Site Plan Application (SPA-15-007) has been submitted for 1685 Main Street West for the approval of two new restaurants to replace the restaurant that was destroyed as a result of a fire;

And whereas a road widening has been identified for Main Street West through SPA-15-007 which if taken will undermine the ability to replace the restaurant destroyed by fire with the new restaurants;

Therefore be it resolved

That staff be directed to waive the requirement for a road widening for 1685 Main Street West (Site Plan Application SPA-15-007) in order to facilitate redevelopment of the site for two restaurants to replace the restaurant that was destroyed by fire.

Councillor Brenda Johnson introduced the following Notice of Motion on behalf of Councillor A. Johnson who had left the meeting:

(ii) Waive the Fees for required Minor Variance and/or Consent Applications for lands located at 439 and 447 King Street West and 212 George Street (Added 10.2)

Whereas the lands located at 439 and 447 King Street West and 212 George Street have merged in title and the existing single detached dwelling is in contravention of Section 4(3) of Hamilton Zoning By-law No. 6593 as it is on the same property as another principal use (Gilbert's Big and Tall retail store);

And whereas the property owner applied to the Commercial Façade Property Improvement Grant Program in October 2013 and approved in June 2014 however the funds cannot be released as the uses on the

property are in contravention of Zoning By-law No. 6593 and a building permit cannot be issued;

And whereas the property owner has met with City staff in order to determine the required variances to Zoning By-law No. 6593;

Therefore be it resolved

That staff be directed to waive the fee for the required Minor Variance application to allow two principal uses on one property, or waive the fees for a Consent Application to sever the single detached dwelling on 212 George Street from 439 and 447 King Street West plus a required Minor Variance application to recognize zoning deficiencies for the lands located at 439 and 447 King Street West and 212 George Street.

Councillor Pearson introduced the following Notice of Motion:

(iii) Parkland Dedication (Added 10.3)

Whereas, By-law No. 09-124, being a By-law to require the conveyance of land for park or other public recreational purposes as a condition of development or redevelopment or the subdivision of land, was approved on June 10, 2009;

Whereas, Section 12 of By-law No. 09-124 states that Council may, by resolution, vary any of the requirements for parkland dedication or payment in lieu thereof set out in the By-law provided that such variance is:

- (1) less onerous or stringent than the requirement set out herein;
- (2) applicable for a temporary, specified period of time;
- (3) applicable to a specified type or class of development or redevelopment; and,
- (4) applicable to the whole of the City or a specified geographical area thereof.

The period of time specified pursuant to (2) above may be extended once by resolution of Council for an additional period of time not to exceed the period of time specified for the original variance;

Whereas, the City is in the process of undertaking a review of By-law No. 09-124 and associated parkland dedication policies and procedures which process will take approximately 18 months; and,

Whereas, the Downtown Community Improvement Plan boundary was expanded in 2013;

Therefore be it resolved:

- (a) That notwithstanding Section 3.(1)b. ii., iii and iv. of By-law No. 09-124, a maximum land dedication of five percent (5%) of the Net land area, or cash-in-lieu thereof, will apply to developments of single and semi-detached lots, duplexes, a maximum of six (6) apartment dwellings above a commercial use, and row townhouse developments fronting on a public street where such developments are not part of a registered plan of subdivision;
- (b) That where a second dwelling unit is added in an existing single detached dwelling, a flat fee of \$500 applies;
- (c) That where additional dwelling units are created within a building “designated” under the *Ontario Heritage Act*, a flat fee of \$500 applies;
- (d) That Schedule “A” to By-law No. 09-124 be revised to reflect the expanded Downtown Community Improvement Plan boundary; and,
- (e) That items (a), (b) and (c) be in effect for a maximum time period of up to 18 months.

Councillor Jason Farr introduced the following Notice of Motion:

(iv) Temporary Use By-law to Allow for the temporary use of the former Cathedral Boys High School by the St. Leonard’s Society of Hamilton (Added 10.4)

Whereas Council passed a site specific Zoning By-law Amendment in 2013 to permit the renovations of the St. Leonard’s Society of Hamilton facility located at 22 to 24 Emerald Street South;

And whereas the Planning Act and the Urban Hamilton Official Plan permits Temporary Use By-laws to permit lands to be used for a particular use on a temporary basis even though it may not conform to the Zoning By-law for a period of time which shall not exceed a maximum of three years;

And whereas St. Leonard’s Society of Hamilton’s current facility located at 22 to 24 Emerald Street South requires renovations and alternate accommodations while the renovations are underway;

And whereas the proposed renovations are consistent with Council’s approval of Zoning Application ZAR-12-056 in 2013;

And whereas Planning staff are investigating providing discretion to the General Manager, or designate, to waive applicable planning fees for charities and not-for profit organizations;

Therefore be it resolved

That staff be directed to schedule a Statutory Public Meeting of the Planning Committee on September 15, 2015 to consider a Temporary Use By-law to allow for the temporary use of the former Cathedral Boys High School located at 378 Main Street East by St. Leonard's Society of Hamilton as a Corrections Residence on a temporary basis until the renovations at their current facility located at 22 to 24 Emerald Street South are completed.
