

## Coach Dan changed my life...

Domenic is my name, basketball is my game. Every time I walk through the doors at Hill Park Recreation Centre, I feel like I am going to visit family. People I trust, who care about me and want to see me happy and help me grow. When I joined Hill Park and met Coach Dan, it was one of the best days of my life. He has become my mentor and more importantly my friend. He has taught me everything I know about the sport; skills that will help me reach my goal to join a AAA team. Even though I am only 11 years old, I understand the importance these programs have on my life and consider myself lucky to be a part of the Hill Park family.

Thank you Recreation and Coach Dan  
for making me a better me.

*Sincerely,  
Domenic Rodriguez*
