	<p>generated a litter complaint. Several plastic bags made their way offsite into a neighbour's tree. Waste Management of Canada Corporation (WMCC) hired a tree service but they were unable to reach the litter. As a result WMCC has hired a zoom boom to remove the bags from the neighbour's tree. .</p>	
3.	<p>Capital Projects Update</p> <ul style="list-style-type: none"> • Rob Conley reported that the new road around cells A and B of Stage 3 had been completed. The new HCL03 Pumping Station has been constructed and is currently in the commissioning phase. The old pump station has been removed. There will be some additional final capping completed this year. • The Sheila May Tree is doing very well. The City of Hamilton's arborist will be making a few adjustments this spring and summer. • There will be a leachate collector assessment of the on-site force-main performed in June 2015. 	
4.	<p>Open House</p> <ul style="list-style-type: none"> • Rob Conley reported that the invitations for the Open House have been delivered. The open house will be held June 20, 2015 from 11:00 am till 2:00 pm. The open house is by invitation only and will be highlighting landfill plans for the future. Lunch will be provided. 	
5.	<p>Niagara Peninsula Conservation Authority Update</p> <ul style="list-style-type: none"> • Josh Diamond reported that the Niagara Peninsula Conservation Authority (NPCA) has completed Benthic sampling for 2014. Josh presented the results to the group. Results show that the Welland River and the Buckhorn Creek are not impacted by landfill activities. The sampling is performed bi-annually and will be tested again in 2016. 	
6.	<p>New Business</p> <ul style="list-style-type: none"> • Rob Conley addressed the issue of meeting frequency. It was agreed by the group to address the meeting schedule at the next meeting for meetings in 2016 as 2015 meetings dates and times have been posted on the City of Hamilton Website.
