(ii) Public Health Services Funding (Verbal Update) (no copy) (Item 8.2)

Dr. Richardson, Medical Officer of Health, provided an overview of the current state of provincial Public Health Services funding.

Councillor Merulla introduced the following motion:

WHEREAS the Province of Ontario is setting a new funding model for all Ontario Public Health Units;

WHEREAS the new funding plan will result in a \$470,000 shortfall for the City's Public Health Services budget previously approved for 2015;

WHEREAS local Public Health Units will be required to provide responses and options for consideration to address these changes; and

WHEREAS the Medical Officer of Health, for the City of Hamilton will have the opportunity to meet with Minister of Health and Long-Term Care, and provincial staff;

THEREFORE BE IT RESOLVED:

- (a) That the Mayor write to the Minister of Health and Long-Term Care expressing the City of Hamilton's position and disappointment on the recent funding decision; and
- (b) That the Medical Officer of Health be directed to meet with staff from the Ministry of Health and Long-Term Care as soon as possible to discuss the following:
 - (i) The new funding model, with an undertaking to evaluate and refine the model, and explore options to address the funding shortfall, and
 - (ii) The provincial public health review that is underway in order to address long term programming and funding for Public Health Services, and
- (c) That the Mayor write the to the Minister of Health and Long-Term Care to express interest in being involved in the review of Ontario Public Health Standards, as well as determining the role of public health agencies in the current and future health care system and in evaluating and revising the current funding formula.

For disposition on this matter, refer to Item 2.
