Subject: renaming upper burlington st..

there is no reason to rename a portion of Burlington St. to Nikola Tesla Expressway....I have checked the web site for Nikola Tesla Education Corp. and these people don,t even know the correct name and spelling of the current streets such as Strathearne Ave. when they set up the site...check it out....a photoshopped picture of the current overhead traffic signs with Strathearne Ave spelled totally incorrect .If this group wants the street to be renamed after one of their own.... charge this education group for repaving and maintenance of this road and it will not only improve your driving experience but cut the cost of road maintenance and eventually municipal tax levies....If I want to set up a Memorial Bench in remembrance of someone on public property, IT IS NOT A FREE RIDE,,I HAVE TO PAY FOR THAT PRVILEGE AND SO SHOULD EVERYONE ELSE.....There is also a plan to rename Windemere Rd in East Hamilton adjacent to Burlington St. (Just because there is also a Windemere Rd in Stoney Creek at Fifty Rd..)... a cheaper plan would be to rename the Residential Street at Fifty Rd.....

Are the Truck drivers that dense they don,t know where they are....what happened to using GPS.....

Why should the taxpayer have to pay for these unnessary & useless changes.....

Subject: RE-naming upper level of Burlington Street

Dear Mr. Toffoletti:

Thank you for your reply to my E-mail, and I agree it would be easier and cheaper to rename Windemere Rd in HAMILTON to STEEL CITY COURT as there are only a very small number of business' involved as you noted, there are only three address' involved and by changing the name to STEEL CITY COURT it DOES REFLECT A SIGNIFICANT REFERENCE TO OUR CITY.....

BUT...as far as renaming upper Burlington St. to "Nikola Tesla Expressway" I am still opposed....Mr Tesla was not a Canadian and probably never set foot in this country and 90% of the population has never heard of him.....

He has been remembered in his U.S. homeland and memorialized in many ways on buildings, streets and statues.....

CAN WE NOT HONOR A DESERVING CANADIAN AND HOPEFULLY A RESIDENT OF HAMILTON ITSELF
WHO WOULD BE A MORE APPROPRIATE CHOICE !!!!!!!!!!!!!.....
