Reason(s) for delegation request: I represented these two industrial organizations on both the steering committee and task force groups of the Community Climate Change Action Plan and would like to support the presentation being made to the Board of Health at the October 19th meeting. I would like to be available for questions following the presentation if needed. I personally won't be requesting funds but the community plan will require funding.

Will you be requesting funds from the City? No

Will you be submitting a formal presentation? No
