**Re: 46-50 King Street East, Hamilton
Site Plan Application Number SPA-15-110**

Dear Ms. Bedioui,

I met this morning with Steven Robichaud and Anita Fabac regarding the King Street interim by-law to be presented at the public meeting tomorrow. I confirmed with both Mr. Robichaud and Ms. Fabac that the aforementioned project is to be exempt from this by-law as we are currently in the site plan approval process. We are submitting a formal request to exempt 46-50 King St. E., the property at the corner of King St. E. and Hughson St., from this by-law.

I trust this letter is sufficient for your records.

Sincerely,

Sam Esposito M.Arch, OAA
