

**CITY OF HAMILTON
NOTICE OF MOTION**

**Public Works Committee
Date: November 2, 2015**

MOVED BY COUNCILLOR D. CONLEY.....

EXPANSION OF RED HILL VALLEY PARKWAY AND THE LINCOLN M. ALEXANDER PARKWAY

WHEREAS, the Lincoln M. Alexander Parkway and the Red Hill Valley Parkway are vital transportation corridors for both people and goods movement; and,

WHEREAS, residential and business construction has increased significantly in the upper city, including Stoney Creek, Ancaster and Glanbrook and will continue to increase; and,

WHEREAS, both of these highways are reaching, and at times exceeding, peak rush-hour capacity; and,

WHEREAS, there is an increased city-wide focus on business attraction and industrial park development and expansion and transportation linkages will be critical to sustain this growth; and,

WHEREAS, the initial construction of both of these highways allowed for expansion opportunities in the future;

THEREFORE BE IT RESOLVED:

- (a) That staff report to the Public Works Committee on the total costs, and feasibility, to expand both highways from the current four lanes to six lanes
- (b) That the report consider the highway expansion as part of the City’s overall Master Transportation Plan
- (c) That, with the support of Council, the Province of Ontario be approached to cost share in this capital infrastructure project.
