**Reason(s) for delegation request:** I worked for the Planning Dept for the former town of Stoney Creek as a summer student in 1981 conducting a land use study. I soon after moved away from the area with my family, returned briefly in the 90s and was shocked at the urban sprawl. I've just moved back again a few months and am appalled at the sprawl now. Just heard about this meeting tonight and will be putting a presentation together for Thursday.
