Dear Co-ordinator and city of Hamilton,

As Occupant, and owner of 114 Emerson st, Hamilton
We completely refuse the request to amend the
official plan to property 71, 75 and 77 Island
Avenue.

The reason is that this area is already
over crowded and noisy. Adding such condensed
residential building will defanately cause
safty traffic issue, and cause existi
residents rest and well-being issues.

Regards,
