Reason(s) for delegation request: Mr. Sroka has various concerns regarding the air quality and pollution within the City of Hamilton. His sentiment is that council and the Mayor need to take a more active role in assuring better air quality for our residents. As a leading member of the Zawisza Czarny (a Polish Yacht Club) Mr. Sroka entertains guests from all around North America and the world. In recent years, he has been provided with disparaging feedback regarding the quality of the water and the pollution in our harbour from these guests. He would like the opportunity to address these concerns in a formal setting.
