

CITY OF HAMILTON M O T I O N

Council: December 9, 2015

MOVED BY MAYOR EISENBERGER.....

SECONDED BY COUNCILLOR.....

UPDATING, MODERNIZING AND SUSTAINING THE CITY'S LIVESTREAMING INFRASTRUCTURE

WHEREAS the capabilities of the City of Hamilton's livestreaming infrastructure needs updating and modernizing;

WHEREAS updating, modernizing and sustaining the City's livestreaming infrastructure capabilities are required in all designated committee rooms and the Council Chamber at City Hall; and

WHEREAS during the process of assessing our future capabilities, in the interim committee rooms have wireless access to the internet; and the Council Chamber has both wired and wireless access to the internet to accommodate media requirements.

THEREFORE BE IT RESOLVED:

That staff (City Manager, Legal, IT, Facilities, Finance, Clerks) review and report back to the General Issues Committee on the:

- a) modernization of the City's existing livestreaming capabilities for the Council Chamber;
- b) expansion of livestreaming capabilities in all designated committee meeting rooms in City Hall;
- c) future sustainability of the City's livestreaming capabilities for the Council Chamber and all designated committee meeting rooms in City Hall;
- d) other audio/visual equipment improvements; and
- e) current media policy to determine if best practices are being utilized, including accreditation, and update if necessary.
