

## **Urban Hamilton Official Plan Amendment No. XX**

The following text constitutes Official Plan Amendment No. XX to the Urban Hamilton Official Plan.

### **1.0 Purpose and Effect:**

The purpose and effect of this Amendment is establish the Urban Site Specific Area USCN-X on lands located at 101 Shoreview Place, Stoney Creek, to permit the maximum density to be 209 units per hectare for the High Density Residential development within the Neighbourhoods designation.

### **2.0 Location:**

The lands affected by this Amendment are known municipally as 101 Shoreview Place, in the City of Stoney Creek.

### **3.0 Basis:**

The basis for permitting this Amendment is as follows:

- The proposed amendment is consistent with the Provincial Policy Statement and conforms to the Growth Plan for the Greater Golden Horseshoe by encouraging a more diverse housing mix and providing efficient land use.
- The Amendment to permit the maximum density of 209 units per hectare provides greater flexibility in residential density for lands to be developed with multiple dwellings and townhouses as permitted by Section E.3.6.6 b) of the Urban Hamilton Official Plan. The lands are part of a residential subdivision and the Amendment will apply to a portion of the lands known as Block 5 on the Registered Plan of Subdivision 62M-1211 “Green Millen Shore Estates.”
- It is the opinion of staff that given the site's proximity to the QEW and other arterial and collector roadways, as well as proximity to active and passive open space, the lands are suitable for high density residential development. The proposal will be compatible in terms of form and function with existing and planned development in the area, and accordingly, can be supported.

**4.0 Actual Changes:**

**4.1 Text Changes:**

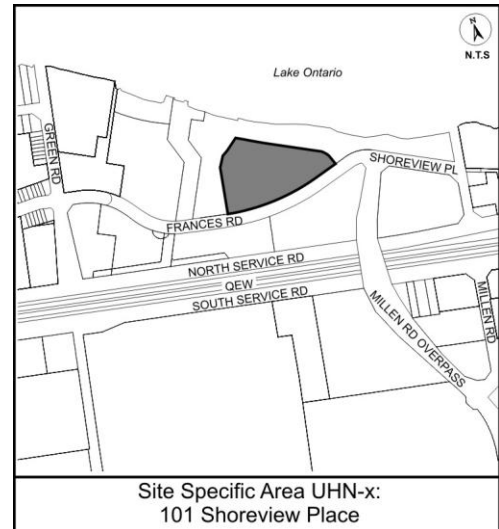

**Volume 3, Chapter C – Urban Site Specific Policies**

4.1.1 Urban Hamilton Official Plan Volume 3, Chapter C, Hamilton Urban Site Specific Areas is amended by:
