

PLANNING ▶▶▶▶▶ Our Healthy Future

General Issues Committee on OHF, March 23, 2016

**A new relationship
with patients.**

**A new relationship
with the community.**

Patients are at the heart of our vision

We are partners in care

Creating a clear pathway

A population health approach

Means we build capacity beyond our walls

Partnerships are key

A new service delivery model

New access points

Specialized technology in its place
