Jason, Steve and Melanie:

Kudos to you and your teams!

We are totally supportive, and appreciative, of the Community Consultation guidelines. Congratulations on your leadership and initiative!

If there is also a way to incorporate the same type of guidelines into Community Meetings hosted by Councillors, a more consistent and equitable format would be realized through-out the city. Our local Open Houses, aka Sales Seminars, (with presentation boards / real estate broker / and comment cards being handed out with "fill this out to show your support") don't really fit in with the guidelines proposed and the true intent of community consultations.

On behalf of our community, thank you again for this positive change!

Sincerely,

Viv / Anna / Nancy
