Reason(s) for delegation request: I am requesting an opportunity to delegate either the Planning and Development Committee, or the General Issues Committee, because I wish to review the role that the City has played in contributing to the nightmarish scenario described in my letter to the members of City Council which was included in the agenda for the Council Meeting on Wednesday, March 9, 2016. Of course this information would be supplemental to the information contained in the letter which you have already seen. I believe that my father and his neighbour, Anna Palazzo, who has also been negatively affected by decisions which the City made, or failed to make, are entitled to a full and - it is to be hoped - final hearing regarding this issue.

Will you be requesting funds from the City? Yes

Will you be submitting a formal presentation? Yes
