Reason(s) for delegation request: The PHTCC has worked extensively with other organizations (e.g., Red Cross, Lifesaving Society, Chief Coroner's Office of Ontario, etc.) and communities across the country in the development of public water safety programs and related municipal By-laws. We believe that having the opportunity to share our expertise in this domain with the Planning Committee will go a long way towards optimizing the effectiveness of any drowning prevention measures deployed in the future by the City of Hamilton. A brief PowerPoint presentation (10 minutes) can be arranged if this would be helpful.

Will you be requesting funds from the City? No

Will you be submitting a formal presentation? Yes
