Subject: Light it up for Huntington Disease Campaign

Hi ,

My name is Debbie and my family has been affected by Huntington Disease. There is a campaign to light up Canada in purple and blue for the month of May. The families affected by Huntington Disease would really like to see the Hamilton City Hall lit up for one day in May to help spread awareness. The city of Hamilton would be participating with the city of Guelph lighting up City Hall on May 2nd, Toronto's C.N. Tower lighting up on May 5th, Niagara falls lighting up their water fall on May 18th and the City of Welland lighting up their bridge from May 16 - May 20th. Our fellow provinces Alberta, British Columbia and Manitoba are also lighting up to help spread awareness. Please contact me with any questions. Here is the website for more information <http://www.huntingtonsociety.ca/lightitup4hd-may2016/>

I look forward to hearing back from you with the date you would like to light up City Hall purple and Blue.

Thank you for your support,
Debbie

May Awareness 2016 . Help us light up the world!
Together let's raise the visibility of Juvenile HD
and HD. Thanks to Jamie Walter's enthusiasm in
our May ...
