

Thank You

We do presentations to:

Inform

Inspire

Get people talking

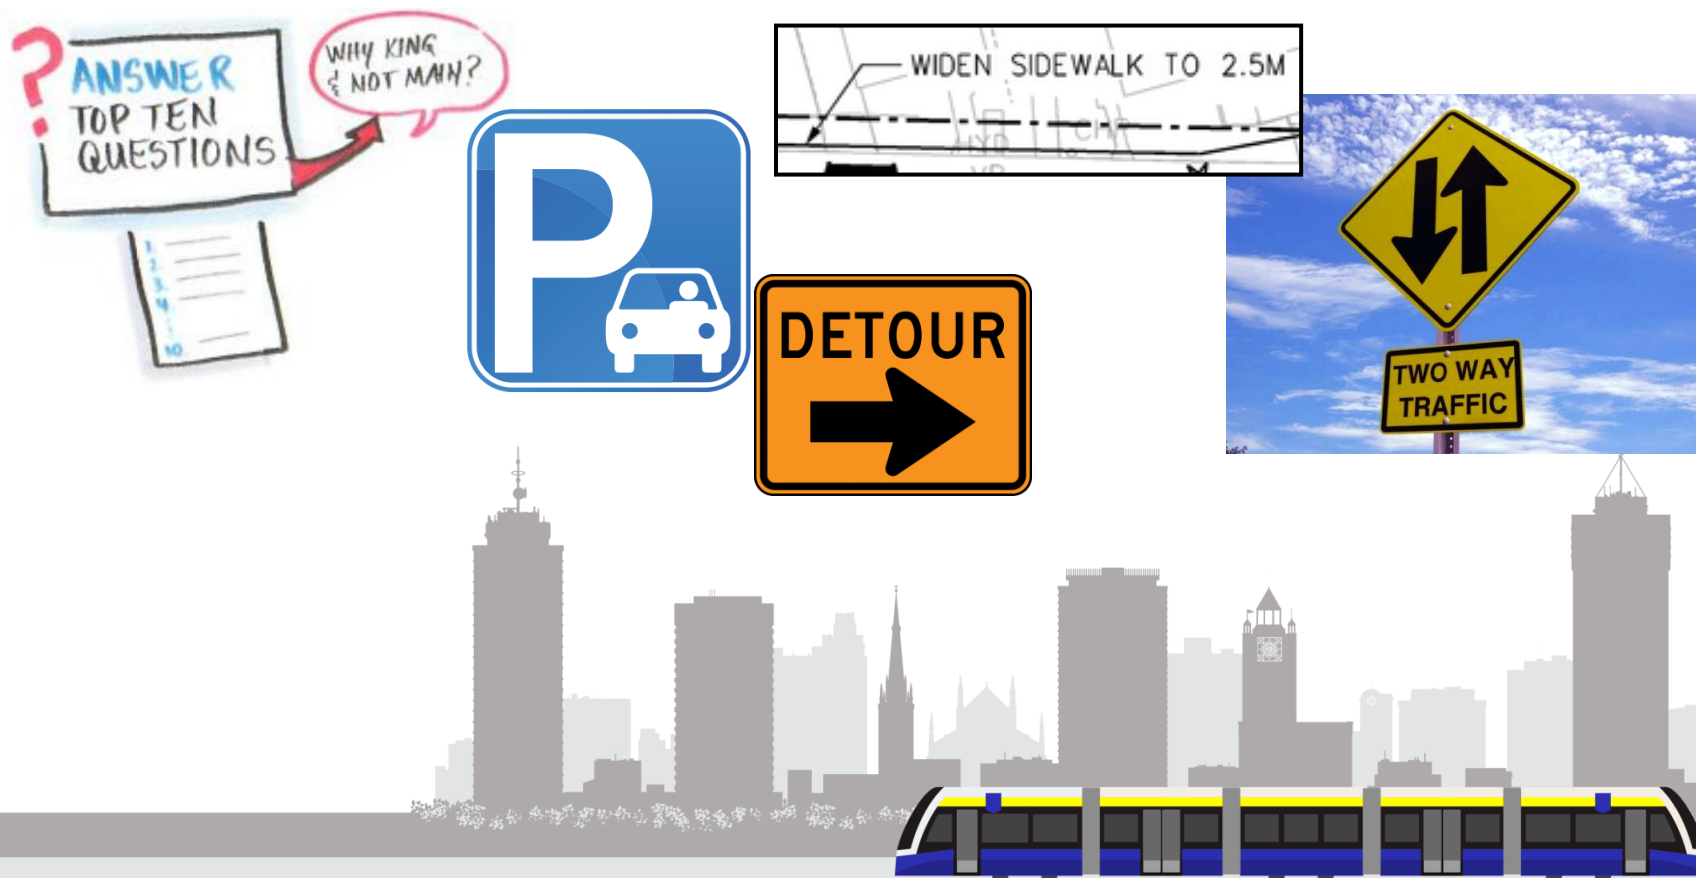

*Upcoming presentations
and information booths at:*

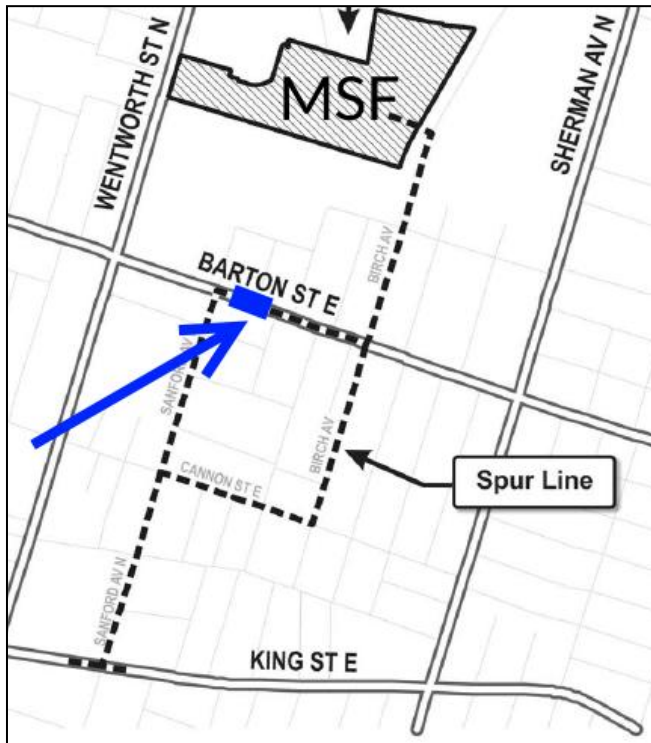

**Hubs
Communities
McMaster
Mohawk
Etc.**

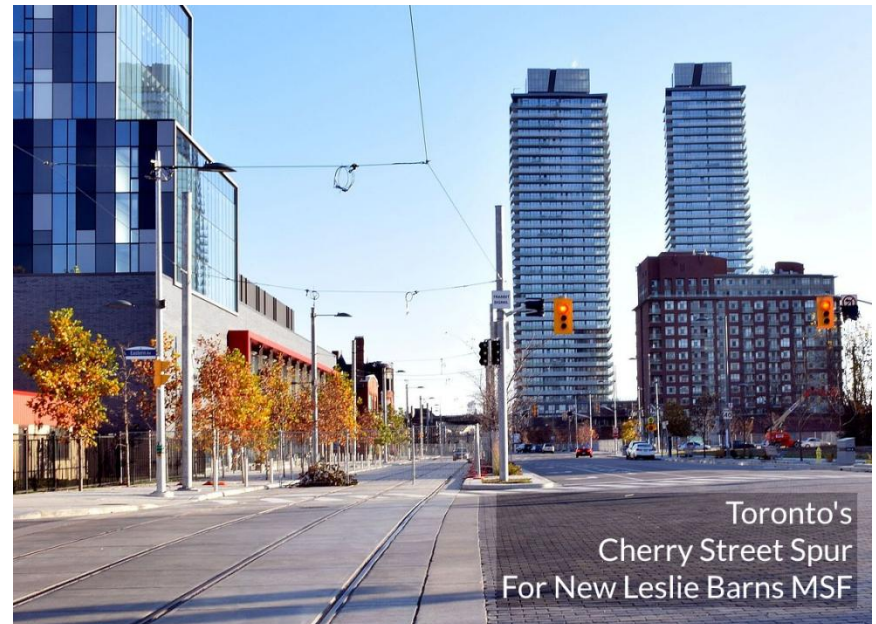

So many questions:

Curious about MSF spur

Future Barton station?

Toronto built provisions to activate streetcar service on their MSF spur

People asking about bus improvements along with LRT

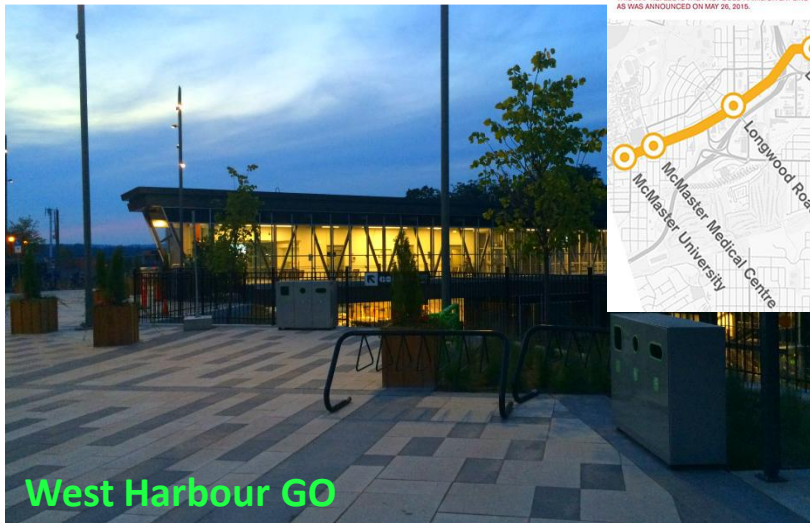

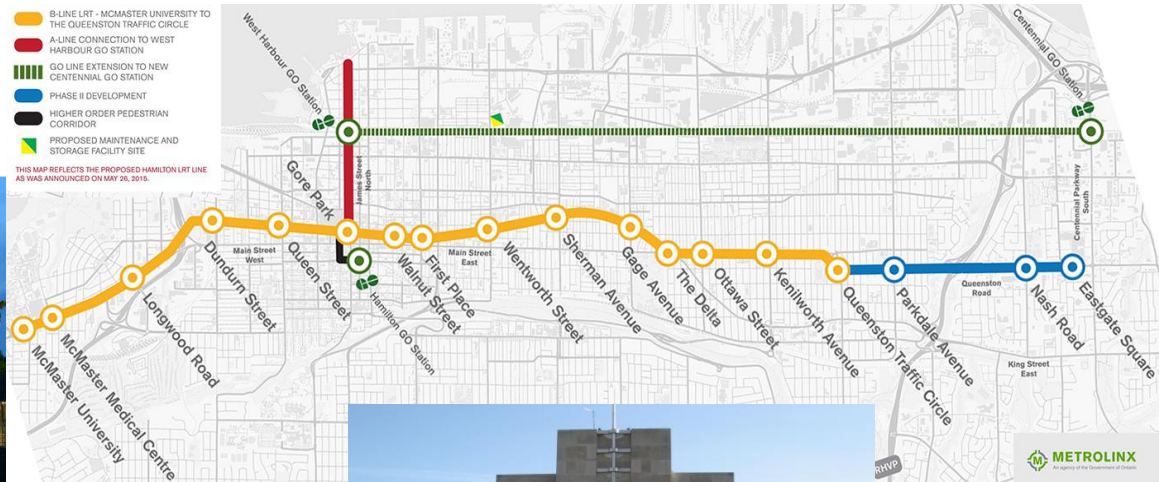

Transit Integration

HSR+LRT+GO Fits

-  B-LINE LRT - MCMASTER UNIVERSITY TO THE QUEENSTON TRAFFIC CIRCLE
-  A-LINE CONNECTION TO WEST HARBOUR GO STATION
-  GO LINE EXTENSION TO NEW CENTENNIAL GO STATION
-  PHASE II DEVELOPMENT
-  HIGHER ORDER PEDESTRIAN CORRIDOR
-  PROPOSED MAINTENANCE AND STORAGE FACILITY SITE

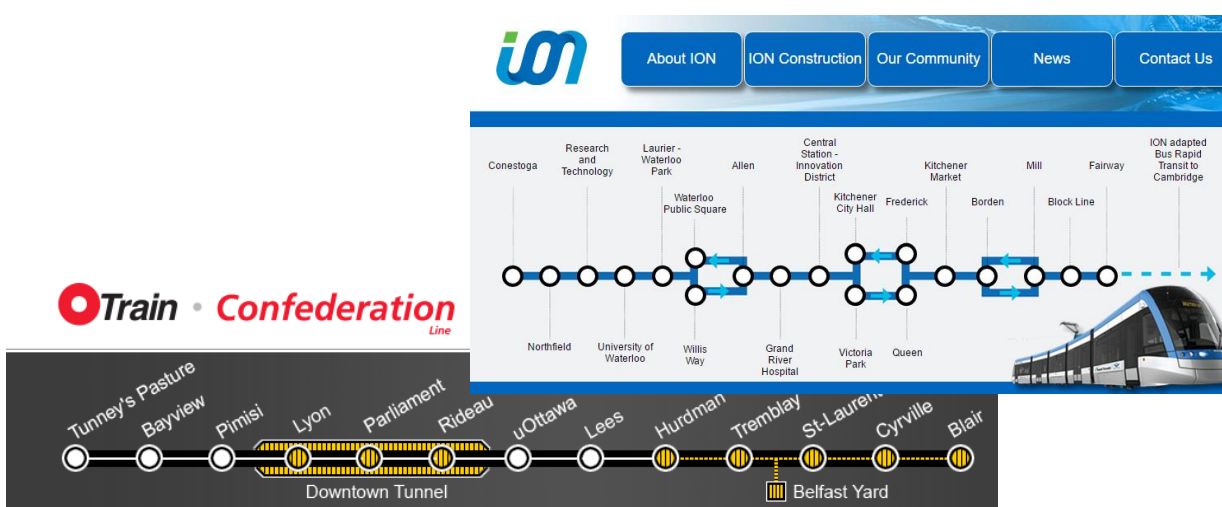

THIS MAP REFLECTS THE PROPOSED HAMILTON LRT LINE AS WAS ANNOUNCED ON MAY 26, 2015.

West Harbour GO

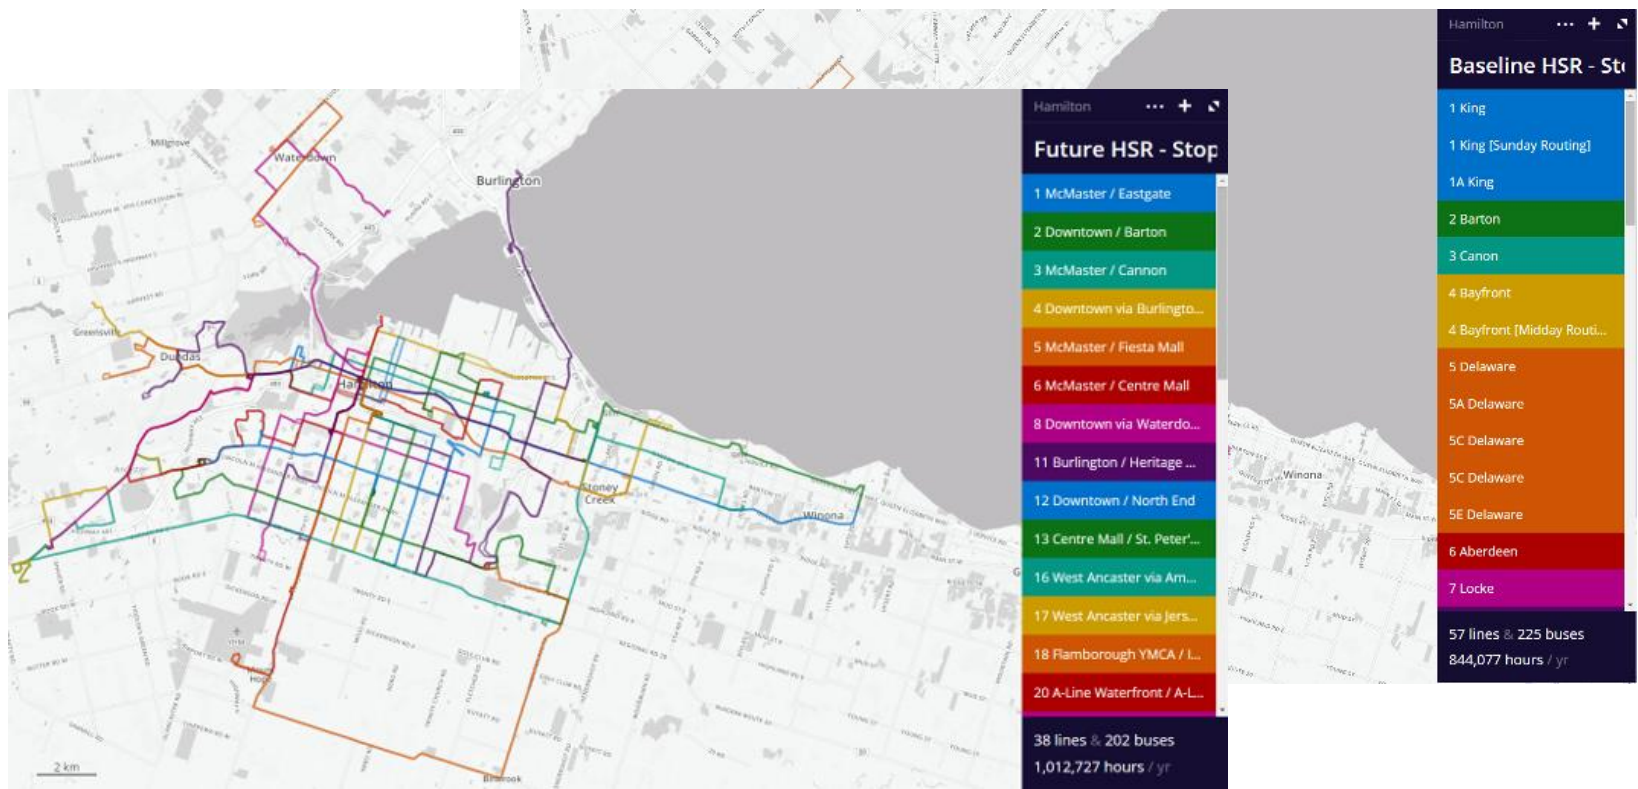

People need to be inspired for the future

Other LRTs are also pre-planning incremental extensions even before finishing construction!

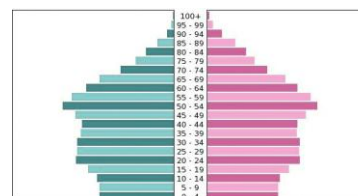

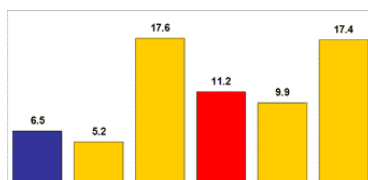

Graduates of our schools are also brainstorming

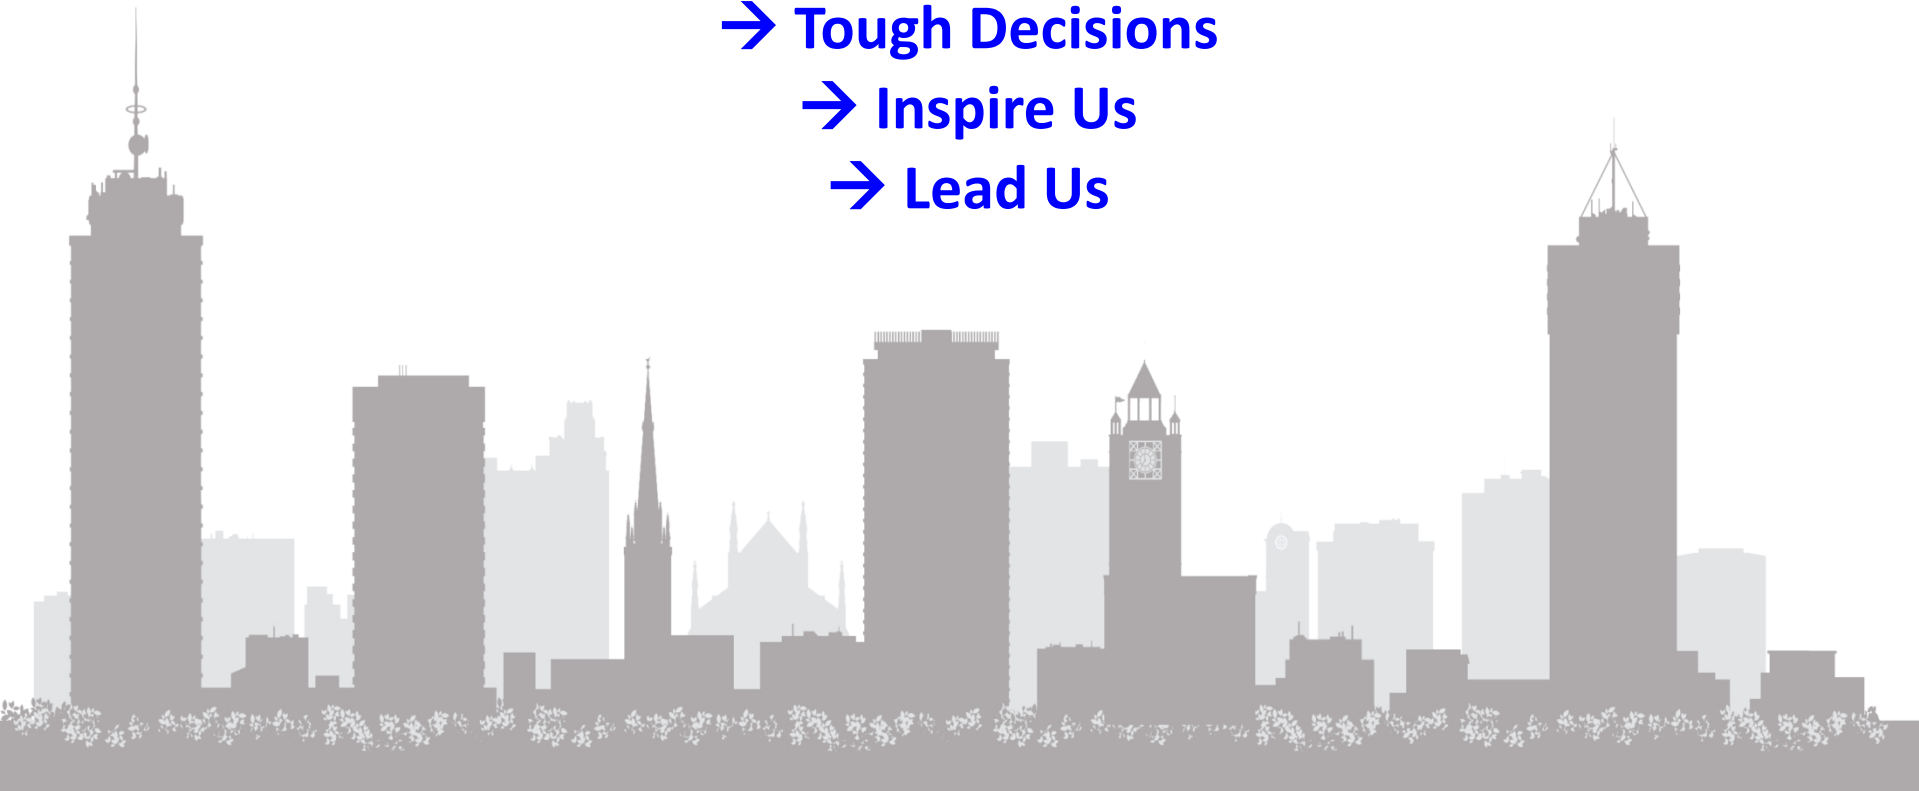

“Leverage LRT to Redeploy Buses for Better Service”
Mohawk College Transportation Engineering Technology Program

Demographics are changing

→ Challenges
→ Tough Decisions
→ Inspire Us
→ Lead Us
