Reason(s) for delegation request: We were research interns for Councillor Aidan Johnson in 2015. The research focused on providing practical case studies of Indigenous representation in the City Councils of the cities of Winnipeg, Manitoba and Vancouver, British Columbia. We also looked at efforts done In Hawaii, United States to better education policies and research done towards Urban Indigenous populations. Due to the thoroughness of the research and the suggestions of our policy analysis, we were kindly requested by Councillor Johnson to present our findings in hopes to help better the circumstances of the Indigenous citizens of Hamilton City.
