Dear Prime Minister Trudeau and Premier Wynne:

RE: Kingston City Council Meeting, May 17, 2016 - New Motion 2

At the regular meeting of Kingston City Council held on May 17, 2016, Council approved the following resolution requesting the Province of Ontario to adopt a similar Building Code Amendment passed by the Province of Quebec:

Whereas an increasing number of motorists are planning to opt for electric vehicles, and many communities are committing to a carbon neutral future; and
Whereas the province of Quebec is amending their Building Code to incorporate 220V outputs in all new buildings and major renovations to accommodate charging stations; and

Whereas Kingston is committed to reducing greenhouse emissions;

Therefore Be It Resolved That the City of Kingston request the Province of Ontario to adopt a similar Building Code Amendment; and

That Council direct staff to include language in the Official Plan to encourage builders to accommodate infrastructure that will support electric vehicles; and

That this motion be shared with the Ontario Premiers Office, the Ontario Opposition Party Leaders, the MOECC Minister, MPP of Kingston & Island's, FCM, AMO, & all Ontario Municipalities with populations greater than 50,000.

Should you have any questions, please do not hesitate to contact me.

Yours truly,

John Bolognone
City Clerk
