Cameron, I 'm writing regarding the 271 proposal. I have attached photos of 289 which I grew up on. Our property is mentioned along with 285 in the proposal. While there are 2 homes on each property each home is single storey (285 is storey and a half. 285 1/2 is one storey) Each are also single family dwelling. Also, is there a reason the proposal was sent so late? I received the package Thursday afternoon.

Regards,

Rob Hammond
