Attention

Robert Clackett Hamilton
(Planning Department)

Concerning Plan for lands located
at 21 + 31 Trinity Ch Rd. + 1824
Brynar Rd. East Glanbrook Ward 11

We live at 42 Trinity Ch. Rd.
(across) from the Bishop Ryan High
(next) school + football track field.
We are opposed to a Motor
Vehicle Service Station + Car Wash.
+ Drive through Restaurant.
A "Gas station" in this busy location
would be a big + poor planning
location next to a large multi
million + dollar school (largest high
school in Hamilton) + this is a
very poor + too busy a corner
for this zoning.

We have been here for 44 years
+ do not oppose development (wise)
for commercial in this local area.
When school has sports events in
the summer it is even more busy.

In 100 of our conversation on
the phone JAN 20 / 2016 I appreciate
your concern about this.

yours truly
Gerald + Denise Oltean.
