Subject: Resignation from the Board of the Art Gallery of Hamilton

Rose,

It is with regret that I tender my resignation as one of the City representatives on the Board of the Art Gallery of Hamilton, effective immediately.

Unfortunately, other City commitments, meetings and committees have prevented me from being the active participant I had hoped to be at the Board meetings.

My current appointment precludes someone else from making an effective contribution to this organization which is so integral to our City, and so I will step aside.

I thank Council and the Board of the Art Gallery of Hamilton for the opportunity to be a part of the great work there and trust that my successor will be an attribute in the future.

Sincerely,

Arlene
