Re: Incident 16-678-686

Dear Sir:

I just wanted to convey my appreciation to you and your fine staff of officers for the professional way in which this unpleasant situation was handled.

Your staff should be congratulated for their professionalism, diligence and acts of fairness in a situation, that could have gone in a seriously negative and dangerous direction.

The officers involved are:

Thomas, Marilyn	Badge 910
Knapman, Jeff	Badge 926
Sabatini, John	Badge 324
A/Sgt Sorbara, Dan	Badge 1164
Nzeakor, Candace	Badge 1249
Gilbert, Adam	Badge 1275

In a time that appears to be somewhat uncertain and perhaps unsettling, it is nice to know, that Our Boys and Girls in Blue are there for us.

It always appears in the medi, that only the negative is reproduced and the good seems to fall by the wayside. (I guess "good" is not exciting reading).

I firmly believe that our Police Officers do not receive the proper recognition, on a regular basis, as they do risk their lives every day that they are on the job.

This situation at our building at 311 Wilson Street East in Ancaster, has given me a real "Eye Opener". I knew that the one tenant did have a past, but felt that he had paid his debt to society, BUT I was wrong, and it has hurt us with other tenants, but with time we shall get over this bad memory.

I must say that your Police Services Chair, and our local councillor, Lloyd Ferguson, did a great job introducing us to a number of fine officers as well as some of you higher-ups on the force. The likes of Superintendent Dave Calvert is a prime example of a Dedicated Officer. He really is a ray of sunshine and hope. Thank you.

Please excuse any and all errors in spelling and punctuation, but I felt I must get this to you as soon as possible.

Again, Thank You and your people for being there. It is appreciated.

All the best

Róbert Outlaw
