Urban Hamilton Official Plan Amendment No. 63

The following text constitutes Official Plan Amendment No. 63 to the Urban Hamilton Official Plan.

1.0 Purpose and Effect:

The purpose and effect of the Urban Hamilton Official Plan Amendment is to amend the existing site specific policy in order to permit a Motor Vehicle Service Station (oil / lube service station only), Motor Vehicle Washing Establishment and additional commercial and office uses in a multi-unit commercial building. The development will include part of the existing commercial building.

2.0 Location:

The lands affected by this Amendment are located within the Rymal Road Secondary Plan in the former Township of Glanbrook and are known municipally as 2064, 2066, 2068 and 2070 Rymal Road East. They are legally described as Concession 1, Block 4, Part of Lot 4, former Township of Glanbrook.

3.0 Basis:

The basis for permitting this Amendment is as follows:

- The proposed Amendment is consistent with the Provincial Policy Statement, and conforms to the Growth Plan for the Greater Golden Horseshoe and is in keeping with the policies of the Urban Hamilton Official Plan and Rymal Road Secondary Plan.
- The proposed Amendment is compatible with the existing and planned development in the immediate area.
- The proposal satisfies all characteristics and requirements of the local commercial policies, save and except, the prescribed use of the lands which does not permit a Motor Vehicle Service Station (oil / lube service station only), and a Motor Vehicle Washing Establishment. Given the location of the subject lands along an Arterial Road in a part of the City transitioning to an urban form, the proposed additional uses

are deemed to be appropriate uses for the lands.
