#### SUBJECT: Follow Up of Audit Report 2012-07 Community Partnership Program Grants (Now "City Enrichment Fund) (AUD16013) (City Wide) -Page 2 of 3

It is normal practice for Audit Services to conduct follow up reviews within 12-18 months following the issuance of the original report in order to determine whether action plans committed to by department management have been implemented. This particular follow up review took place later than the typical 12-18 month window due to ongoing work to replace the previous Community Partnership Program with the new City Enrichment Fund.

## POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

None.

## **RELEVANT CONSULTATION**

The results of the follow up were provided to management responsible for the administration of the City's City Enrichment Fund, the Finance, Administration and Revenue Generation Division of the Corporate Services Department. Other City departments that are involved with the administration of the City Enrichment Fund were also consulted (Community & Emergency Services, Planning & Economic Development).

#### ANALYSIS AND RATIONALE FOR RECOMMENDATION (Include Performance Measurement/Benchmarking Data if applicable)

The report attached as Appendix "A" to Report AUD16013 contains the first three columns as originally reported in Report 2012-07 along with an added fourth column indicating Audit Services' comments from the follow up work conducted.

There were ten recommendations. Five recommendations were "Completed" and five were "In Progress" (using an eligibility criteria checklist, structured evaluation tools and process, incorporating scoring into the funding strategy, documenting funding rationale and utilizing financial information during the evaluation process). Appendix "A" to Report AUD16013 should be examined for details of implementation by recommendation.

Audit Services conducted this follow up assignment in conformity with the *International Standards for the Professional Practice of Internal Auditing.* Audit Services believes that the work performed provides a reasonable basis for the follow up comments and conclusions.
