Reason(s) for delegation request:

Hydro One is planning to rebuild the Elgin St substation. This is a 4-5 year project. They are requesting that they use 5 of the parking lot for staging. The area that they want to use is actually City property. This impacts the safety of the students and will put on hold the Board's plans to increase the size of the playground. Counsellor Farr is aware of this situation and said that he would aid us in making this presentation.

Will you be requesting funds from the City? No**Will you be submitting a formal presentation?** Yes
