Dear Mrs. Hidalgo

**Re: Stoney Creek Regional Facility EA
Annual Monitoring Reports**

As a follow up to your conversation with Mr. Dobrindt on August 4, 2016, please find enclosed a copy of the 2014 Annual Monitoring Report for the City of Hamilton's use. For your information, the 2014 Annual Monitoring Report was submitted to the City of Hamilton (Clerk's Department) last year. As per preceding years, Terrapure provides the Annual Monitoring Reports on a disc (PDF) to the City's Clerk's Department in late July/early August.

In addition, please find enclosed the 2015 Annual Monitoring Report that was just recently completed and submitted to the Ministry of the Environment and Climate Change on June 30, 2016 for their review in compliance with the Stoney Creek Regional Facility's Environmental Compliance Approval ((ECA) - former Certificate of Approval).

In response to your direction, we will continue to provide all future Annual Monitoring Reports to the City's Clerks Department. As per past practices, the City will receive the future reports in late July/early August documenting the preceding year's annual monitoring activities.

Please contact **Ian Dobrindt, Senior Environmental Planner** at **416.721.8206**, if you have any questions on the preceding information.

Sincerely,
