Mayor Fred Eisenberger and Members of Hamilton City Council
Hamilton City Hall
71 Main Street West
Hamilton, Ontario L8P 4Y5

Dear Mayor Eisenberger and Members of Hamilton City Council

RE: Century Manor and the Century Manor Lands

This letter is written on behalf of the members of the Century Manor Task Force 2. with the understanding that the City of Hamilton submitted an interest in these lands when Infrastructure Ontario originally requested other levels of government and not-for-profits to do so.

Unfortunately, our efforts to determine the state of the purchase of this valuable property have been in vain so we take this opportunity to appeal to you, our elected officials, to pick up the torch and do everything in your power to convince our provincial officials, including the premier, that the City of Hamilton should be the rightful owners of this provincial property.

We believe that this tract of land, located on the mountain escarpment, is an integral part of the history of Hamilton Mountain. The profile of Century Manor in the public realm would be raised exponentially with the purchase of these lands.

The Century Manor Task Force2 is in support of the City of Hamilton purchasing this property both for the heritage significance as well as its development potential and trusts that it is not too late for Council to make a claim.

Sincerely,

Paul Saunders
For Century Manor Task Force2
