FOR PEACE

INTERNATIONAL DAY OF PEACE
21 SEPTEMBER 2014

Dear

City Clerk (for your information)

Culture of Peace Hamilton continues to work to fulfill your commitment to make Hamilton a City of Peace. Wednesday September 21 at 11:45 we celebrate International Day of Peace at City Hall with a Peace Luncheon in the forecourt and you are cordially invited to join us.

The lunch will be an informal buffet where we can meet and chat. There will be a brief explanation of International Day of Peace and a few words about the work currently being done in the city by many social profit, faith, cultural and environmental groups.

The primary reason for inviting you (to take a break from the general issues meeting that day) is to have you enjoy lunch with some members of Hamilton's hard working local group members and hear about their accomplishments (and barriers). We also want to hear directly from you about ways we could help move the peace agenda forward in your community

We are hoping to have a few minutes at the opening of your General Issues meeting to publicly acknowledge International Day of Peace and are waiting to hear about that. You will be receiving a written invitation in the mail – please RSVP to either Ray Cunningham or Gail Rappolt so we know to set a place for you. ray.c@cogeco.ca gail.cophamilton@gmail.com

Warmly,
Gail Rappolt and Ray Cunningham
Culture of Peace Hamilton
