

CITY OF HAMILTON

MOTION

LRT Sub-Committee
Date: November 29, 2016

MOVED BY COUNCILLOR J. FARR.....

SECONDED BY COUNCILLOR.....

2-Way Option for Main Street

WHEREAS; it may be desirable to better understand the impacts of a 2-Way Main Street as it relates to existing traffic patterns and the introduction of LRT,

THEREFORE BE IT RESOLVED:

That staff from Public Works and the LRT office be requested to examine a 2-Way Main Street option as part of the current Transportation Master Plan Review and LRT Traffic Modelling Study and report back to the LRT Sub-Committee.
