Bill No.

CITY OF HAMILTON

BY LAW NO. 16-

To Amend By-law No. 15-058

A By-law respecting Building Permits and Related Matters

WHEREAS Council of the City of Hamilton desires to amend By-law No. 15-058, the Building By-law, to change Building Permit Fees;

AND WHEREAS public notice has been given and a public meeting held as required for this By-law, in addition to other public consultation;

AND WHEREAS section 7 of the *Building Code Act, 1992* authorizes Council of the City of Hamilton to pass by-laws concerning the issuance of permits and related matters;

AND WHEREAS sections 8, 9, and 10 of the *Municipal Act, 2001* authorize the City of Hamilton to pass by-laws necessary or desirable for municipal purposes, and in particular, paragraphs 3, 5, 6 and 8 of subsection 10(2) authorize by-laws respecting the financial management of the municipality, the economic, social, and environmental well-being of the municipality, the health, safety and well-being of persons and the protection of persons and property;

AND WHEREAS section 391 of the *Municipal Act, 2001* authorizes the City of Hamilton to pass by-laws to impose fees or charges on persons for services provided done by or on behalf of the City of Hamilton;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Section 2.1 of By-law 15-058 is amended by adding the word "means" after "Building Code".
2. Paragraph 9.1(5)(a) of By-law 15-058 is amended by changing the number of subparagraph (iv) to (iii).

3. Schedule "A" of By-law No. 15-058 is deleted and replaced with Schedule "A" attached to and forming part of this By-law.
4. Sections 1 and 2 come into force on the day this By-law is passed.
5. Section 3 comes into force on January 1, 2017.

4. Where no new floor area is created, or where materials, systems or equipment regulated by the Building Code render it impossible to determine the permit fee on the basis of the classifications noted in this Schedule, the permit fee payable shall be 1% of the prescribed value as determined by the Chief Building Official under subsection 6.1 of this By-law, subject to a minimum fee as per section 3 of this Schedule.
5. The total fees under this Schedule and Schedule "C" shall be paid prior to the issuance of a permit.

6. **INTERPRETATION**

In addition to referring to the Act and the Building Code in determining the fees under this By-law, the Chief Building Official may have regard to the following explanatory notes as may be needed in the calculation of permit fees:

- (a) Floor area of the proposed work is to be measured to the outer face of exterior walls and to the centre line of party walls or demising walls (but excluding residential garages);
- (b) In the case of interior alterations or renovations, area of proposed work is the actual space receiving the work (e.g. tenant space);

- (c) Mechanical penthouses and floors, mezzanines, lofts, habitable attics and interior balconies are to be included in all floor area calculations;
- (d) Except for interconnected floor spaces, no deduction is made for openings within the floor area (e.g. stairs, elevators, escalators, shafts, ducts, and similar openings);
- (e) Unfinished basements for single family dwellings, semis, duplexes and townhouses are not included in the floor area;
- (f) Attached garages and fireplaces are included in the permit fee for individual dwelling units;
- (g) Where interior alterations and renovations require relocation of sprinkler heads or fire alarm components, no additional charge is applicable;
- (h) Corridors, lobbies, washrooms, lounges, and similar areas are to be included and classified according to the major classification for the floor area on which they are located;
- (i) The occupancy categories in the Schedule correspond with the major occupancy classifications in the Building Code. For mixed occupancy floor areas, the Service Index for each of the applicable occupancy categories shall be used and the floor area associated with the major occupancy;
- (j) For Rack Storage use apply the square footage charge for industrial for the building;
- (k) A temporary building is considered to be a building that will be erected for not more than one year; and
- (l) Where a change of use permit is subject to a fee based on floor area, "floor area" shall mean the total floor space of all storeys subject to the change of use.
