Reason(s) for delegation request:

We would like to present an update to Hamilton HIVE, a registered nonprofit dedicated to attracting and advancing emerging leaders and young professionals in Hamilton. The organization was founded in 2011 and had presented to Council in its early days. HIVE was a direct result from a city-wide discussion on attraction and retention of next generation leaders. This requested presentation is not an introduction to Hamilton HIVE. Rather, it is to demonstrate the outcomes achieved via Hamilton HIVE, after being in operation for more than five years. We also intend to demonstrate how HIVE can work with the city to

tackle its key priorities. We understand that we need to go through a formal grant application (e.g. City Enrichment Fund) to request for funding.

Will you be requesting funds from the City? No

Will you be submitting a formal presentation? Yes
