**Name of Individual:** Nicole Pollice

**Reason(s) for delegation request:** Our rugby program has been in Stoney Creek for 42 years and we have yet to have a place to call home field. We do not have washroom facilities and struggle to retain players when we have no permanent field, no washroom or change rooms for children or adults and no club house. Our men have been ranked in the top 5 teams of Ontario for over 9 years running and women in the top 10 for now 12 years running. We have maintained and taken care of all fields we have gotten to play on in the past but always get pushed aside when another sport needs to have it, and therefore we play more away games than home since all other cities support their clubs. Why has this not happened for us yet when it has been brought to cities attention numerous times. I would like a formal sit down so

we can better discuss the future of our club as we need your help because we cannot do it alone.

**Will you be requesting funds from the City? No**

**Will you be submitting a formal presentation? Yes**
