

CURRENT OBSTACLES

1

LACK OF CHANGE ROOM / BATHROOM FACILITIES

school board will not allow us to put a port-o-potty on their property. No bathrooms for players, fans, refs, or emergencies.

2

LACK OF FACILITIES FOR ATHLETES ACROSS ONTARIO

We cannot host any tournaments, which would in turn bring in revenue to the city in terms of hotels, restaurants, etc. Our location is excellent for tournament hosting with the Heritage Green power centre so close, but no where to play

3

LACK OF AVAILABLE LAND

We are actively looking for land however majority of available land is zoned A1 without possibility to rezone or is currently out of our budget. We have good lead on funding from the Newalta Group as long as it is within 7km of their head quarters.

4

FUTURE FUNDING AND GROWTH

Without property fields and a club house we are at a point where we are limited with growth. We are open to sharing facilities with other sports in order to create a mutually beneficial environment.

**WE NEED A FIELD AND CLUB HOUSE IN
ORDER TO CONTINUE OUR GROWTH WITHIN
THE COMMUNITY**
