Rural Hamilton Official Plan Amendment No. 13

The following text constitutes Official Plan Amendment 13 to the Rural Hamilton Official Plan.

1.0 **Purpose and Effect:**

The purpose of this Amendment is to:

- Amend the Parkland dedication policies to reflect cash-in-lieu of Parkland dedication rates for certain ground related housing and heritage buildings;
- Correct inconsistencies between the Rural Hamilton Official Plan and the Parkland Dedication by-law for schools; and,
- Implement the *Planning Act* changes introduced by Bill 73.

The effect of this amendment is to introduce different rates for small scale intensification and heritage buildings, bring the Urban Hamilton Official Plan into conformity with the *Planning Act*, and to reflect Parkland Dedication By-law 09-124.

2.0 **Location:**

The lands affected by this Amendment are located within the Rural Area of the City of Hamilton.

3.0 **Basis:**

The basis for permitting this Amendment is as follows:

- The proposed parkland dedication rates will encourage redevelopment of the old stock mixed use buildings within the City of Hamilton.
- The proposed parkland dedication rates will reduce the gap between cash-in-lieu of parkland dedication amounts for different unit types and create a level playing field for developers working on infill or revitalization projects throughout the City.
- The proposed amendment is consistent with the Provincial Policy Statement and conforms to the Growth Plan for the Greater Golden Horseshoe.
