**Subject:** LRT stop at King and Bay

Dear Mayor Eisenberger and Members of Council,

Please vote to add an LRT stop at the corner of King and Bay. The proposed stop would be extremely convenient to the Sheraton Hotel, City Hall, Nations, First Ontario Centre, etc. This stop will greatly enhance the use of the LRT and increase its profitability. It will pay for itself. Please don't use your personal opposition to LRT to try to cripple an important project for the city. Instead, make the project better by supporting this extra stop. A few million dollars in a \$1B project is a rounding error, but it will greatly enhance the project.

Thank you for your attention.
