Subject: Bay Street LRT Stop

Good day all.

My name is Dave Jenkins and I live in Ward 6. The LRT "Bay Street" stop issue baffles me to no end. First Ontario Centre sits on Bay Street. Given that it is one of our premier venues, to me, would make sense to accommodate LRT service to this point in order to support that venue.

I thought helping make Hamilton a healthy and prosperous community would be a primary goal. Yes, the \$2.6 million and time are one issue. However, I think that would be recouped in time by the supported and expanded success of First Ontario Centre!

The success of this venue means a lot to a good many people and businesses. It is about our future and its success!

Thank you.
David Jenkins
