Subject: Bay St

As an engaged Hamiltonian who relies on transit, I would ask that a Station at Bay St be approved. Hamilton over the last few years, with some in the council making poor transit decisions based on appealing to voter bases, has fallen behind. In fact, the Councillors who refuse to work towards a transit plan that works for the actual users of the system are being recognized as obstructive.

To the Councillors; Ward 5 Councillor Chad Collins, Ward 6 Councillor Tom Jackson, Ward 7 Councillor Donna Skelly, Ward 9 Councillor Doug Conley, Ward 10 Councillor Maria Pearson, Ward 11 Councillor Brenda Johnson, Ward 12 Councillor Lloyd Ferguson, and Ward 15 Councillor Judi Partridge remember you are on Council to make Hamilton a better place, not to obstruct, undermine, sabotage and cripple the system.

Again please reverse the GIC decision, uphold the unanimous LRT Sub-Committee vote, and approve this request.

Sincerely,

Lee Purins
