Subject: Bay St. LRT stop

Dear City Councillors

I was present at GIC on Wednesday of this week. It was very disappointing to see the opportunity of an added LRT stop voted down by this council. This is the busy downtown core that would service businesses in the area and visitors to First Ontario Centre. An added stop is very desirable at this location, and was suggested by the Chamber of Commerce and businesses in the area.

I urge you to re-consider your vote, and if you voted in favour of this, please encourage your fellow councillors to do the right thing.....for Hamilton.

Thank you,

Marie Zilik
