Subject: Just Venting.....Again

1. We do not want the LRT down here at Eastgate. Wasn't it enough the last two years we had to put up with Dufferin Construction. 2. Those two knuckleheads yesterday Whitehead and Green. Make the entire city council and city look like a joke. 3. I don't know how ridership is declining on HSR. Every bus I get on is packed. I can tell you I have only had one late bus in the last year. 9 out of 10 bus drivers are polite and go out of their way to help people. I wouldn't do that job for 50 dollars an hour. And last Priiel and the employees taking the city van. They don't make enough money they have to rip the taxpayers off.
