I hope the much debated LRT project gets a shovel in the ground. Anymore delay doesn't do Hamilton any good. Kitchener is farther ahead and they will begin operation be the shovel goes in ground for Hamilton's.

Anyword from Choice Properties about their vacant property at 1124 Main east at King (old no frills location). This is large property with blank building and should not left vacant. The community needs a grocery just like they depend on other local retail on Main.

Thank you
