

**D.A.R.T.S Petition**

To: The council of the City of Hamilton

We, the undersigned residents of Hamilton ON, petition the council and ask that:

- DARTS transit continues to provide service
- DARTS transit continues to employ and fairly compensate their experienced staff members

DARTS plays a vital role in the lives of so many individuals with disabilities in the greater Hamilton area. For many, it is the only way to access medical appointments and community programs. Please read Bruce Smith's letter. He offers a personal account of the struggles he has faced and the positive impact that DARTS has had on his life.
