Please be advised that the Niagara Escarpment Plan 2017 has recently been approved and is available at:

[www.escarpment.org](http://www.escarpment.org)

You will be sent hard copies of the plan as well shortly for your convenience.

In addition to the approval of the NEP, a number of site specific amendments were approved concurrent to the approval of the plan.

Approved NEP site specific amendments that fall within the City of Hamilton include:

UA 16; UA 17; UA 18;& UA 19

Which may be viewed here:

<https://www.ontario.ca/page/schedule-order-council-10272017>

As these were approved concurrently with the NEP 2017 and are effective immediately, the plan text or maps do not reflect the approved amendments, however, future consolidations of the Plan will reflect the amendments.
