Dear Rose,

Can you please add this onto the next Council and/or CES Agenda please?

Dear Honourable Mayor & Council,

As you know, Ward 10 does not have a Splash Pad or an outdoor pool for our residents. (nor is one listed on the 10 Year Budget Plans)

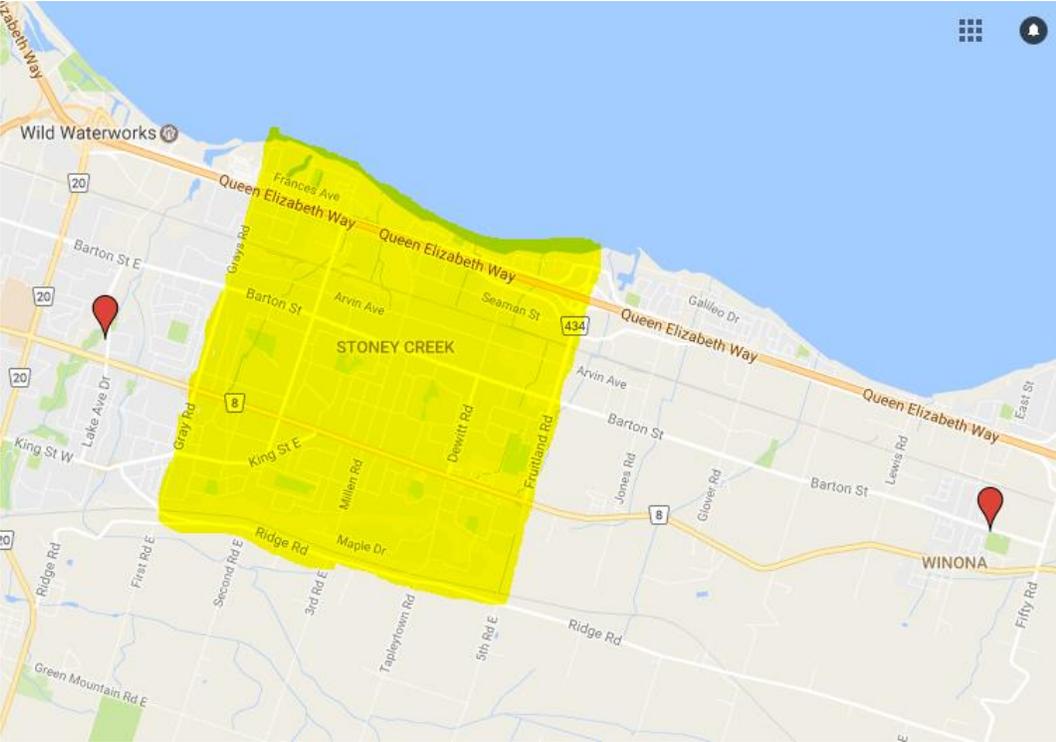

In addition, one of our indoor pools (Brewster Pool) has limited Family Swims & is not located on a public transit route. The next closest indoor pool (Stoney Creek Rec Centre) is closed for renovations during the summer months.

We are asking for this year only, perhaps Council can give some consideration to perhaps free passes (or substantially discounted rates) to Wild Waterworks in Confederation Beach Park for Ward 10 residents. It is our understanding this facility has been turning a profit for the last couple of years so the timing may be appropriate to try to provide similar health services to Ward 10 residents that are being provided to those that live outside of Ward 10.

Respectfully,

Lakewood Beach Community Council
