**Subject:** Item 8.1 - June 20 Planning Committee Agenda - Request for Deferral

Good Afternoon Ida,

Our office, on behalf of Valery (Chedoke Browlands) Developments Inc., kindly requests that item 8.1 on the upcoming Planning Committee Agenda, "[Application for a Permit to Injure or Destroy Trees in a Woodland for CON 2 PT LOT 57, PLAN 699 PCL A RP 62R17555, PARTS 1 TO 11 \(Municipal Addresses of 820, 828, 870 Scenic Drive and 801 Sanatorium Road\) - Refused by the Director of Licensing and By-law Services and appealed by the Applicant -\(PED17096\) \(Ward 8\)](#)" be deferred until the August 15, 2017 Planning Committee agenda.

Our solicitor, Mr. Charles Criminisi, is not available to attend Planning Committee on June 20, 2017. We also note that Mr. Steve Robichaud, Mr. Ken Leendertse and Councillor Terry Whitehead will also not be available due to their own scheduling conflicts. Further to our meeting with Mr. Robichaud, Ms. Fabac and Mr. Leendertse along with our client yesterday, we believe it would be in the best interest of all parties to be in attendance, related to this matter.

Kindly advise,

Katie
